Based on the Control Call Audio Recording of Francis Paul, provided to Attorney Michael P. Hines (as evidence), as recorded by Kristina Carr, Marisa T. Déry of Tamar Forensics has reviewed and documented (EXIF Metadata). The said "Control Call" was made: "February the **12th** at: **11:48:14 PM.**" Not "February **13th** at: **10:27 AM.**"

Deposition : (15968 K Carr 111325), Page 16: Line 23, Detective Kristina Carr states that the recording device used was : "My agency-issued audio recorder." Page 17: Line 10, she say's: "It's digital." (No mention of a "Cell Phone.")

According to Marisa T. Déry of Tamar Forensics; the device used by Detective Kristina Carr to record the "Control Call" was an **Olympus WS - 852** Digital Recorder and not "on Cell Phone" as described above. As part of the Forensics Report, see the provided Device documentation here: [Link : WS-852 Olympus](#)
